Microsoft SharePoint Deployment Planning Services

mindSHIFT is certified to deliver Microsoft SharePoint Deployment Planning Services (SDPS), a Software Assurance Packaged Services benefit from Microsoft. SDPS can help your law firm plan an effective deployment of Microsoft Office SharePoint Server 2007. SDPS includes a broad range of planning tools and services that help optimize the effectiveness of SharePoint's core capabilities, and help lower the cost of deployment and adoption. If you are a Microsoft Software Assurance client, contact us today to initiate your SharePoint project.
